J. J. CROXON,
Sheriff, San Benito County, Cal.

Hollister, Dec. 29, 1902.

REWARD

IT APPEARING to the Board of Supervisors of the County of Monterey that a heinous crime, to-wit: murder has been committed at the Simeon Graves Residence, near Salinas, Monterey County, State of California, on or about the 8th day of December, 1902, which resulted in the death of George Allen and Charles Albrecht.

IT IS THEREFORE ORDERED that a reward of

$500

for the arrest and final conviction of the party or parties guilty thereof is hereby ordered.

On the night of Monday, December 8th, 1902, a man entered the house of Sim Graves, about two miles from Salinas City and committed a foul murder under the most peculiar circumstances. He knocked at the door, Mrs. Graves opened the door, he asked for a drink of water, presented pistol commanding Mrs. Graves to make no outcry, as he was going to rob them, forced Mrs. Graves into a room where Mr. Graves was in bed, then tied both Mr. and Mrs. Graves. He then robbed the pockets of Mr. Graves' pants, then took a boy by the name of Allen who was the adopted son of the Graves and made him show where the hired man slept in an outhouse about seventy feet from the residence; made the hired man dress and accompany them back to the house, then tied the boy and hired man all in the same bed room; he then released Mrs. Graves and took her into another bed room evidently with criminal intention, where they got into a dispute over something. Mr. Graves hearing that something was wrong, freed himself, got hold of a pistol and fired two shots at the man but missed him; man returned the fire shooting Mr. Graves through the left side disabling him. He then took the pistol away from Graves and tied him up again. What happened after that we can learn but little, only that the man staid there until about daylight trying to satisfysome hellish desire. He seemed to not have looked for any money, or valuables as everything about the house was undisturbed; he took from the house nothing but a 38-caliber imitation Smith & Wesson revolver. Before the man left the house he took Mrs. Graves back into the room where the rest of them were tied and tied her again and laid her on the floor beside the boy and hired man; he then blindfolded all four of them and told them to go to sleep and not wake up or stir until morning. He then took a hand-ax and beat them into insensibility, striking them several blows, each, on the head. The boy Allen and hired man, Albright, died from the effect. Mr. and Mrs. Graves were out of their right mind for several days and can now give a very poor account of what really did happen that night.

I give this history of this notorious crime to enable officers of the State to understand the very peculiar actions of this man so they will keep a sharp lookout for men of such temperament who must be of unsound mind or possessed of some hellish mania or both.

Below is the best description that I am able to get of the man who committed this crime.

DESCRIPTION OF SUPPOSED MURDERER.

The man was about 5 feet 10 inches in height; weight, about 170 pounds; dressed in blue overalls and blouse similar to overalls; brown canvas coat with metal buttons; light hat, with broad black band; spoke good English; dark complexion; dark mustache; hair dark and not very long.

$200 REWARD!

For information that will lead to the arrest and conviction of the two fiends, who on the 9th day of June, 1903, assaulted and outraged the person of Mary Silva, a school girl, aged 14 years, about two miles from Orinda Park, near the San Pablo creek.

Springing from the side of the road, along which the girl was riding home from the Post Office at Orinda, one of the ruffians grabbed the horse by the bit, the other thrust a pistol in the girl's face, pulled her off her horse, took her into a deep gulch and there both assaulted her, after which they bound her hands behind her back with a short trace chain, padlocked the chain, tied her feet and legs with a bale rope and then left her in the gulch, where moaning and suffering for five long hours she waited release.

The description given by the girl, necessarily a meagre one, makes the men from 23 to 35 years of age, both of medium size and slim build. One of these men had a black mustache, was of medium dark complexion, had dark hair, wore dark clothes and is supposed to have had a black hat; the other is supposed to be smooth shaven, of a light complexion, wore a dark hat and a light to medium suit of clothes.

To assure the protection and safety of daughters and wives, all citizens must make it their business to help in bringing these men to punishment.

Wire all information to us, we hold warrant.

$335 REWARD!

Offered as follows: $100 by the father of the girl; $135 by the citizens of Orinda; $50 by Sheriff Veale and $50 by Constable J. E. Bouquet.

For information that will lead to the arrest and conviction of the two fiends, who on the 9th day of June, 1903, assaulted and outraged the person of Mary Silva, a school girl, aged 14 years, about two miles from Orinda Park, near the San Pablo creek.

Springing from the side of the road, along which the girl was riding home from the Post Office at Orinda, one of the ruffians grabbed the horse by the bit, the other thrust a pistol in the girl's face, pulled her off her horse, took her into a deep gulch and there both assaulted her, after which they bound her hands behind her back with a short trace chain, padlocked the chain, tied her feet and legs with a bale rope and then left her in the gulch, where moaning and suffering for five long hours she waited release.

The description given of the men by the girl is:

No. 1—About 5 feet 8 inches in height; weighs 150 to 160 pounds; dark complexion; high check bones; long round face; small eyes; heavy dark mustache; 28 to 30 years of age; dressed in dark suit of clothes; wore dark hat.

No. 2—Light complexion; weighs 160 pounds; 5 feet 10 inches in height; smooth face; about 24 years old; dressed in dark suit of clothes.

The earnest support of all is asked in the search for these two men.

When suspects are arrested, wire me immediately; then have photograghs taken, and send them to me so that I can have the girl identify the same.

I hold warrant.

Card No. 67.

SACRAMENTO, June 21, 1903.

Arrest for assault to murder.

At 11 o'clock last night (Saturday night) a stranger, without any warning or provocation, shot down 2 citizens, at Third and L streets, and then walked away leisurely. When Detective Fitzgerald, of this Department, tried to arrest the man, he also attempted to kill this officer, after which he ran away and was lost in the dark along the river front.

Judging from the man's appearance, he was either a ranchhand, miner, steamboat man, or may have been a "floating" hobo. He did not know the men he shot nor had he been talking with them, nor they with him. He was either affected from liquor or crazy, and so far we do not know who he is. He is a very swift runner. He did the shooting with a 38 calibre nickel plated pistol, which breaks open.

Description: Age between 25 and 35 years; height between 5 ft. 7½ and 5 ft. 9 inches; weight about 150 lbs.; think was dark complected; think smooth shaven, about a week's growth of beard; if he had any mustache, it must have been very small. His coat and vest looked dark by night and his pants looked gray. Black slouch hat, crown pulled up into peak, rim rather large. Light colored soft shirt.

I want this man badly, and I most earnestly request the co-operation of all officers to get him, as he may kill some one else if not apprehended.

Arrest and wire me at my expense. The charge may yet be raised to murder, as the wounded men may die.

ARREST FOR BURGLARY.

$10.00 REWARD

Man named William Dwyer escaped from County Hospital night of July 27th.

About four months ago the general merchandise store of H. Gimbal at San Ardo was burglarized and this man was one of the burglars and in trying to board a train the night of the burglary he was struck by the train and both legs broken above the ankles; also cut in back of head where there is quite a scar left. He was picked up and brought to County Hospital, where he has been treated up to time he escaped, and was just able to walk without crutches. He took his crutches with him and if he discards them he will walk lame and show stiffness in ankles. One leg has a slight running sore yet. He will probably try to get into some other hospital. He is a genuine hobo and drinks alcohol or anything he can get. He is about 30 to 35 years old, about 5 feet 7 inches tall, will weigh 150 to 160; Sandy complexion and from confinement has a very white, bleached skin, which will sunburn very easily; has a reddish mustache, no beard; wore blue overalls, dark coat and new shoes, which he will probably have to split as no doubt his feet will swell.

WANTED FOR FORGERY
$200.00 REWARD!

Henry B. Service

Fac-Simile of His Signature

The above reward will be paid to the person furnishing this department with information which shall lead to the arrest of Henry B. Service, for whom I hold warrants issued upon indictments found against him by the Grand Jury of Hampden County, State of Massachusetts, for forgery of endorsements on notes of upwards of $7,000.00; and which notes were discounted by banking institutions in this city.

Service is a man of genteel appearance and clean associations. His description is as follows: Age, 36; height, about 5 feet 8 inches; weight, about 150 pounds; light hair, thin on top, blue eyes, red eyelids, florid or sandy complexion, cheekbones slightly prominent, rather quick, nervous action.

The above photograph is said to be a good likeness of Service with the exception that it represents him to be of dark complexion instead of florid, and as wearing a moustache, whereas, when he left this city, August 25th last, he was clean shaven. He may have grown a beard since leaving here. His face is also fuller than indicated in the photograph.

Service is an expert accountant, and will likely be found engaged in employment of that nature. I am mailing to banking institutions, throughout the country, circulars with reference to his apprehension. Will you kindly make enquiries of customers of your bank for information concerning this man's identification?

In case you receive information concerning any person suspected of being Service, wire me at once and notify your local police authorities.

FORT LEAVENWORTH, KANSAS.

DEAR SIR:

We have in this penitentiary at this date, about one thousand prisoners, such as postoffice burglars, counterfeiters, smugglers, moonshiners, train robbers, horse and cattle thieves, etc., sentenced from the United States Courts in the several states and territories, and in addition, a number of soldiers from the United States Army convicted of criminal offenses. The majority of these prisoners come from the western and southwestern states, and the territories. It frequently happens that we find among these prisoners those who are evidently fugitives from justice, wanted in eastern and northern states and cities on criminal charges, or as escaped prisoners from State Penitentiaries and Reformatories.

We have on file about 10,000 photographs and descriptions of criminals, part of them collected from other Penitentiaries and cities in the western states and territories, in which escaped criminals usually harbor. It is probable that we can be of service to you in locating some of your fugitives if you will place this Penitentiary on your mailing list and send it circulars, photographs and descriptions of criminals that you may want. At the same time we may, in this way, be able to pick up some of our own escaped criminals for whom we are keeping a lookout. If you will kindly favor us as above suggested, we will be glad to promptly furnish you, free of charge, any information that we may have concerning any parties that you may inquire for.

Respectfully,
R. W. McCLAUGHRY,
Warden.

The following rewards are offered for the arrest and conviction of A. E. MINER, alias WM. A. MINER, alias WM. MORGAN, alias OLD BILL MINER, who in company with GAY HARSHMAN and CHAS. HOEHN (the two latter are now in custody), held up O. R. & N. Co. Passenger train No. 6 at mile post No. 21, near Corbett, Oregon, on the night of September 23rd, 1903.

$500.00 by the Pacific Express Co.
$300.00 by the State of Oregon

Miner was liberated from prison at San Quentin, Calif., June 17th, 1901, where he had served a sentence of 25 years for stage robbery, less his good time allowance.

Miner's usual system of working is to locate himself in a cabin in a secluded place near a stage line, on a pretense of prospecting or following some lawful occupation. He then selects a time and place for robbery, and after committing a crime leaves the country by avoiding the highways, and does not appear again in the vicinity where the robbery was committed.

HIS VICTIMS ARE ALMOST INVARIABLY STAGE LINES, although he may again participate in a train or other robbery. He is likely carrying a Winchester rifle and a Colts revolver.

We have sufficient evidence to convict Miner of the O. R. & N. Co. train robbery.

If located, arrest and notify by wire at our expense the undersigned at the nearest office listed above, when arrangements will be immediately made to have the authorities of Multnomah County, Oregon, request his detention and send an agent for him, with necessary requisition papers.

(He Talks With Decidedly English Accent.)

Age, about 50; about 5 ft. 6½ in.; about 140 lbs; complexion medium; brownish looking mustache mixed with gray. Gave his name as J. Bennett.

On October 6th this man called upon different merchants of this city, and upon representations that he was opening a saloon in Auburn, succeeded in having a lot of goods sent to him at Auburn. Afterwards he tendered a check, receiving balance in cash. Checks are on "Branch of International Bank and Trust Company of America, San Francisco, Cal.," and read as follows: **"Pay to order of J. Bennett $22.00. H. W. Nichols."**

Bennett did rent saloon premises in Auburn and his intentions evidently were to get a large stock of goods and sell same, skip out and try the same trick elsewhere. He is a neat appearing fellow, and rather nervous.

J. P. BIRCHFIELD, alias **JIM JONES:**—Age 48 years, 5 ft. 3 1-2 inches tall, weighs 150 pounds, fair complexion, light brown hair streaked with grey, is bald from forehead to the top or back of head; has a light brown mustache, streaked with grey; has a scar on palm of right little finger near 1st. joint; has a small, deep round scar (probably a bullet scar) on right side of chin 1 1-4 inches below right corner of mouth. The attached Photograph is a good likeness of him, except that he had no mustache on when it was taken.

This man's right name is J. P. BIRCHFIELD, but he is going by the name of Jim Jones. He is a great talker and gives one the impression that he has been all over the world. He is usually accompanied by a man who goes by the name of Frank Doughty. Doughty is about 5 feet 5 inches tall, weighs about 200 pounds, heavy build, dark hair, dark mustache, brown eyes, medium dark complexion, and a small pointed chin. Doughty is known at Perry, Oklahoma, and has a farm near Orlando, Oklahoma. He claims to be a cousin of Birchfield's. Birchfield has been with Doughty a good part of the summer of 1900 when they were last seen.

Birchfield is likely to visit the following named places which he has been doing during the past two or three years.—Orlando, O. T., Perry, O. T., Oklahoma, O. T., Shawnee, O. T., McLoud, I. T., and McGee, I. T. He has two daughters, one about 11 years old, is with Mrs. Minerva Elliott at Shawnee, O. T., and the other, about 6 years old, is at the Orphan's and Rescue Home at Oklahoma City. He has two sisters near McLoud, one by the name of Mrs. Smith and the other by the name of Mrs. Bly. He also has been seen in New Mexico and Arizona where he is likely to be found if not in Oklahoma or Indian Territory.

Birchfield was received at this Penitentiary June 10, 1899, on a 2 year sentence for cattle stealing in the Indian Territory. He is an all round cattle and horse thief. He is likely to be found around cattle ranches and markets.

I will pay $100.00 for his arrest and detention in any jail until turned over to an authorized officer from this Penitentiary. The above reward is good until he is caught.

Please watch closely all strangers passing through your part of the country especially around cattle and horse markets. The above photograph is a good likeness of him. It was taken on May 26, 1900. This man claimed to be a R. R. brakeman but we think he is familiar with machine shop work especially railroad machine shops. He, together with another man (who is still in this Penitentiary,) burglarized a Post Office using nitro-glycerine. These two men are what are called "Yegg men" and they made it a business robbing Country Post Offices, Banks and Railroad Depots. They were tried and convicted at Texarkana, Arkansas, and sentenced to this Penitentiary on May 18, 1900 to a term of 5 years each.

Please examine all prisoners that you have in your Jail, Police Station, Penitentiary or Work House. This man has been so vigorously persued since his escape from here so that we are inclined to think that he has committed some trifling offence in order to get himself in Jail or Penitentiary for a short term in order to throw us off of his trail.

I will pay Sixty Dollars ($60.00) for his arrest and detention in any Jail or Police Station in the United States until fully identified and turned over to an officer from this Penitentiary.

ARREST FOR MURDER

E. A. Lewis and A. S. Richards, who had been working together at New Hope; were in Galt Friday, December 18, 1903, waiting for S. P. Co. train No. 287 at 9 o'clock. They intended to beat this freight train out of Galt. While in Galt Richards conspired with a negro to rob Lewis and throw him off the train. A short distance west of Lodi Richards drew a pistol and held Lewis up while the negro robbed him. They then threw him off the oil car on which they were riding and broke his arm.

It appears that the negro had two other pals (negroes), who then robbed Richards and threw him off, killing him. The negroes went to Tracy on No. 287, arriving there at 1 o'clock Saturday morning, December 19th, 1903. They immediately caught another freight south and were ditched by Conductor Moore at Newman. They caught a closely following freight (No. 246), and went to Mendota, where they were seen about noon Saturday, December 19th, 1903.

Myrtle Point, Or. July 12th, 1903.

Sheriff of Merced Co, Cal.

Dear Sir:-

I hear that Jake Ried is in Jail at present, on a charge of vagrancy, and that you wished to know his real name, He lived in my fathers family from the time he was two years old until about 14, and then ran away from home, and has since been on the vagrant list.

My father did his best to raise him right, but the boy seemed doomed to be a bad man, his mother was not of sound mind, and his father deserted his wife and two children when Jake was two years of age, . His true name is Jake Ried, he is about 24 years old, my father gave the boys the benefit of the Public Schools, but Jake early in his life started in to be a criminal. After he left home he occasionally wrote to the folks, but we never knew whether to believe his letters or not, and once and a while we would hear of his being pulled some place on a charge of vagrancy.

Of course I am interested in the boy, for he is related, bu I do not try to shield him in any ways, for I know that he can not be depended upon, he was raised at Woodville, Calif, and is well known at that place, as also he is at Hanford, I saw the Photos sent to Sheriff. Gallier, and you have the right man, I would be glad to hear from you about the case, and I will give you any information that I can,

Yours respectfully

H. H. Harris.

A cold-blooded murder. Arrest and wire me.

J. D. Collins, Sheriff.
By G. P. Cummings, Under Sheriff

I desire the assistance of all peace officers in detecting two swindlers known as E. R. HEIST and D. MARSHALL, who represent what is known as THE AUSTIN PHOTO CO., and established a branch office of the same in Napa City, and proceeded to take orders for Photos at greatly reduced rates, collecting 50 cents from each customer, whom they solicited, and the remainder was to be paid at the Studio.

After working the town and surrounding territory they left and did not fulfill any of their promises.

Their description is as follows: E. R. Heist and D. Marshall each about 24 years old; 5 ft. 7 in; smooth shaven; weight about 145 lbs; dressed in dark clothes.

Heist and Marshall, in making their house to house canvass, carry samples of the work wrapped in green billiard cloth, and are quite noticeable as they travel the streets.

D. Marshall worked at photo. soliciting for Shaw & Shaw, Photographers, 1069 Broadway, Oakland, and E. R. Heist has a Working Card from the Cooks' and Waiters' Alliance, No. 396, and am informed that he ran a restaurant at Bakersfield. There is a woman accompanying them who claims to be the wife of Heist.

Do all in your power to detect these parties; arrest and wire at my expense. I hold warrant.

D. A. DUNLAP,
Sheriff of Napa Co. Cal.
